DEDICATION

We the Class of 1962,

dedicate this annual to...

Mrs. Ruth J. Stolle

for her many years of service to the students and community. As an art instructor she was one of the foremost in her field. She represented the Tripoli school and community at various educational functions throughout the Midwest. Through her activities connected with the Junior Red Cross, work produced by her students has been shown in exhibits in many foreign countries. Success in her work was first recognized when an article including pictures by her art students appeared in the Ford Times. Through the years, contributions prepared by her have appeared in several professional magazines.

In this dedication we wish to express our appreciation for the inspiration she has given all of us.

SENIOR CLASS HISTORY

In August 1958 eighteen freshmen presented themselves for inspection by the other high school students. Our first year's excitement really began with our initiation by the sophomores. That evening was highlighted by rolling peanuts with our noses, sitting on balloons, and dancing. After initiation we gave a sophomore return dance and then settled down to study.

August 1959--Now it was our chance to initiate the freshmen. We had lots of fun making this class impersonate Mother Goose characters. Hearing the seniors talk about their prospective trip to Washington D. C. set us off on a money-raising campaign.

August 1960--We were juniors! The first thing we did was to entertain the public with our play, "It's a G Great Life". We all had a wonderful time putting it on and making the people laugh.

Then the biggest event of our junior year, the prom, came. After much discussion we decided on the theme "Wonderland by Night." The walls were decorated with silhouettes of dancers outlined by colored lights. We created a park scene for the stage. The center of attraction was a cornet player, silhouetted against the moonlit background. We were all happy with the success of our prom. The next Saturday we held the post prom.

August 1961--Began our last year of high school. In October we presented the play "Wild About Harry" to the public. Later in the fall all the boys went to the school forest and cut about 30 cords of pulpwood with the help of their fathers. The girls made the meals. This helped our funds for our trip to Washington D. C. substantially.

Finally that morning, April 30, 1962, arrived. We were on our way. When we arrived in Washington D. C. we had the opportunity to see many things such as: The Capitol, White House, Smithsonian Institute, Mount Vernon, Naval Academy, Jefferson Memorial, Lincoln Memorial, Library of Congress, Christ Church and many others. Finishing our last night was a moonlight cruise up the Patomac River. We arrived home Friday, May 4, very tired; but happy that in our four years of high school we had worked so well together and made this dream come true.

Now thirteen seniors are nervously awaiting the final step--that of graduating into a new world of opportunities and responsibilities.

WILD ABOUT HARRY

With the help of his coach, Sandy Baxter, and biology teacher, Miss Fay, Harry finally solves his financial problems and gets Sue too.

JUNIOR CLASS PLAY

Our play, The Thread of Destiny, was a dramatic story of the Civil War period. Anita played the part of a southern belle whose lover chose to join the Union forces. Family, friends, and Negro servants were embroiled in the heartbreak of the broken romance. Larry Knight, as George Washington, and Dierdra Fisher, as Fanny, get their romance settled when the latter takes the initiative and dresses up in some disgarded finery. It takes some dectective work on the part of one of the Fairfax Twins--Kathleen Marheine--to straighten out Virginia and Peyton's love affair, but all ends on a happy note.

On September 20, 1961, Tripoli opened the baseball season by soundly defeating Prentice 8-2, behind Darryl Pokela's 2 hit pitching. Tripoli's 9 hit attack was led by Dave Palmquist's 3 hits.

One week later Tripoli met Glidden at our own field. Behind Darryl Pokela's 18 strikeouts Tripoli breezed on to a 7-1 victory. Pokela also led the offense with 3 hits.

Tripoli met Winter on the latter's homefield on October 4, and was victorious by a score of 6-4. The damaging 11 hit attack was led by "Seymour" Calhoun's 2 doubles and a single.

On October 18th, with the league championship ours if victorious, we met Hawkins at home for the last game of the season. The Tripoli batters responded with a murderous onslaught of 17 runs. This combined with Darryl Pokela's 15 strikeouts and 4 hit pitching resulted in a 17-2 romp over Hawkins. The 14 hit barrage was led by "Seymour's" 4 for 5 with two long drives out to the woods (only a lack of speed prevented homers).

Tripoli is the Flambeau League Champion for '61 in baseball. We take our hats off to the superb pitching by Darryl Pokela and a .383 team batting average. Our sincere thanks to coaches Kohn and the new Marcogliese.
